Eternal
Roses

Maryam Flora UK

THE GEM ROSE

The Gem Rose is simply beautiful, presented to you in a black Jewelry box to admire the detail of the rose in full. The box slides open from one side and can be displayed as it is or in a vase. It is a small yet thoughtful gesture that will enable your loved ones to admire the beauty up-close, Eternal Roses.

THE ENIGMA

A testament of beauty, the Enigma is a handcrafted vase displaying one of our largest Eternal Roses in its full, open beauty.

The combination of pure, black glass with our breath-taking signature rose will leave you admiring its mysterious beauty. It may seem modest from afar but up close it is simply awe inspiring... A stunning piece.

Available in 6 stunning colors.

Dimensions approx: 11cm height and 13cm diameter.

THE MAYFAIR

The Everyday Collection is a subtle yet equally stunning collection perfect for gifts or oneself.

The Mayfair is a tall, glass vase presented with one of our signature Eternal Roses. It is an ideal ornament to be the focal point of any room leaving admirers wherever it is placed. The epitome of elegance, it will enhance any setting year after year.

Available in 10 stunning colors.
